

Western Libraries Subscription Task Force 2019-20 Summary of Subscription Scores

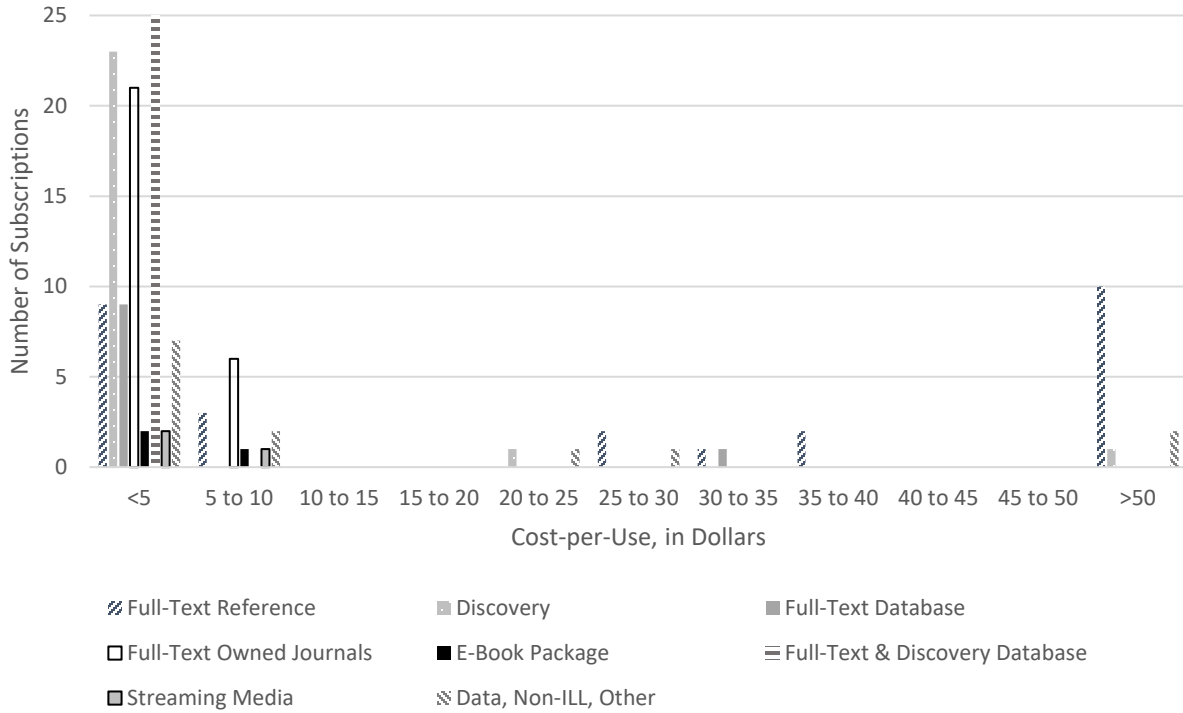

Scores for Western's 400+ subscriptions ranged from 6.25 to 96, with just over 50 percent of subscriptions falling between 37 and 64 points. Median score 52.75.

Distribution of Subscription Scores

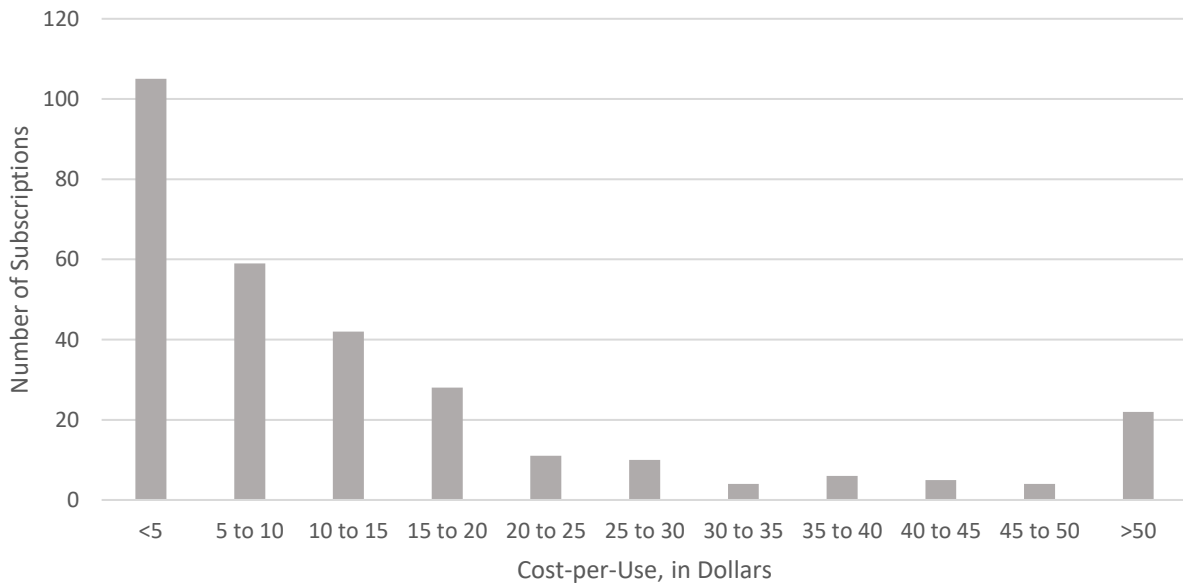

The three-year cost-per-use of Western’s subscriptions ranged from approaching \$0 to just over \$2,000. However, the majority of subscriptions had a cost-per-use below \$5, except in the format category “Full-Text Reference,” in which the majority of resources exceeded \$50 per use. See next page for a detailed view of cost-per-use below \$5.
